

PURE ROMANCE

40 GUESTS

in 4 minutes!

You want to have at least 20 guests at your Pure Romance party. This form is a quick way to jog your memory of friends and acquaintances you can invite.

Typically **ONLY HALF** the guests you invite will be able to attend, and a few will also cancel at the last minute, so it's important to invite more than you anticipate. Sometimes an invited guest doesn't attend, but perhaps she will come to a future party or place an online order—so invite everyone you think of! Don't pre-judge—you might be surprised!

Now grab a pen and try this exercise. You'll be amazed how quickly your list grows!
